

HENTY LUTHERAN PARISH
Fourth Sunday in Lent
29th March 2020 #12

Fellow brothers and sisters in Christ,

It is important for us to stay focused on what gives us hope in life and to keep time set aside during the week for our daily prayers, and our worship of God. As we are not able to come together for worship at this time, we have been working to provide you with resources to help you worship in your home.

We encourage you to continue to set aside time on a Sunday morning to worship God as you would have done if you had come to church. Therefore we are restructuring the weekly bulletin to help. In it you will find the readings for the day, prayers and a devotional thought. We will also include a list of other worship resources that may be helpful.

We strongly encourage you to continue to build up your faith, through the Word of God, so that your hope may always rest on the salvation found in our Lord Jesus Christ and to draw on God's strength.

We pray that He will give you His peace during this time of uncertainty.

Yours in Christ
Pastor Kees and Maxine.
